THE EDITOR SPEAKS

Your year-book staff herewith presents to you the 1956 NAUTILUS, with the hope that it meets with your approval. We have tried, with the limited finances at our disposal, to catch a glimpse of our school with its various functions. Through pictures and small write-ups, we are sure the NAUTILUS will serve as a book of happy memories in the years to come.

As students, we feel that in a small way in our school activities, we help "to maintain the American way of life and pass it on intact to succeeding generations."

DEDICATION

For your untiring efforts and loving interest in the student body, the many hours given to furthering dramatics in our school, your unrelenting devotion to your work, and your unselfish desire to encourage and help us all, we, the class of 1956, sincerely dedicate our yearbook to you,

MRS. GLADYS WALKER

IN MEMORIAM

DEAN KITCHEN

On October 24, 1953, the bright year that lay ahead of us, the Class of 1956, was dimmed by tragedy. Suddenly without warning, a rainy Saturday morning, we lost a dear friend and classmate. Dean's death came as a shock to all of us, and for a long time afterward we found it difficult to believe he was gone.

We remembered his quiet manner, his friendly smile and cheerful "hello", and his profound consideration of others.

Above all Dean enjoyed the outdoors, for hunting, fishing and swimming afforded him much pleasure.

As our high school years come to a close, we recall the hopes, joys and sorrows we have shared; and somehow we know that though in life he walked but a short distance with us, his spirit has been with us every step of the way.

IN RETROSPECT

The Class of 1956 has been, is, and will be forever Waterville Senior High School. Admittedly, we inherited the destinies of our high school with want of forethought, preparation, and direction for our endeavors. Indeed, as sophomores, we were unconcious of how significant and integral a portion of our school we had assumed. In our shortsighted perspective, we focused Waterville High in the light of an impersonal educational edifice, consisting of mortar and brick, nail and wood, textbook and writing paper.

Then, as juniors, we perceived a ray of profundity. In truth, our legacy was something more than matter. We sensed that we were being imbued with human inspiration. Our principal and our teachers, now, were no longer abstract quantities to be tolerated as necessary evils; to our enlightenment, we found devoted counselors and treasured friends in the seats of school authority. Even then, the dawn was just breaking.

At last, as seniors, we began to appreciate the quintessence of what was now, truly, OUR school. Whatever leadership, initiative, and import Waterville High would exert both within and beyond its walls had to be conceived, developed, and executed by us, the students, by no one else. In short, we discerned that the school is, above all else, the students.

JUNIOR PROM

On February 18, 1956, the Junior Class sponsored their annual Junior Prom. The theme of the prom was "Evening in Paris". Al Corey and his orchestra furnished us with beautiful dancing music.

In the center of the auditorium floor, was an Eiffel Tower, with streamers from the peak of the tower to the walls. The tables were so arranged as to give the impression of a sidewalk café.

Refreshments were served.

The floor show consisted of French entertainment. The main feature was a can can dance, performed by seven of the junior boys.

All members of the faculty and school board were invited. Many attended.

On the twelfth of November 1955, the juniors presented the Sophomores with their annual reception.

It was held in the gym from 7:30 to 11:30 and a reception line headed by Larry Safford, Junior Class President, was formed. A grand march led by Mr. and Mrs. Clair Wood opened the evening's dancing with Al Corey and his five piece orchestra providing the music. Cider and doughnuts were furnished by the juniors.

The Student Council has had one of the mostactive years since its origin.

In November, the council was host to the Annual State Convention. Over two hundred delegates were entertained for two days.

During the Christmas season, a Christmas tree was decorated and placed on the roof or the school.

Buses to each away basketball game were sponsored by the Student Council.

In February, along with the Student Councils of Lawrence, Oakland, and Winslow, they sponsored one extremely successful Twirp Dance.

Again this year, they sponsored a national French contest and a mathematics contest for the students in the high school.

THALPOMENE CLUB

This year was an active and successful one for Thalpomene Club. The fall production of John Van Druten's "I Remember Mama" will indeed be remembered as outstanding. The cast included Carol York, Theodore Perry, Terry Poulin, Michael Audet, Judith Stubbert, Ella Ladd, Sandra Plourde, Evelyn Rousseau, John Maheu, Julius Levine, Ronald Jeans, Wilmot Walker, Roland Begin, Eleanor Hallee, Jeannette Roy, Sue Cottle, Frances Fredette, Earl Smith, Marie Michaud, Katherine Sullivan, and Guy Williams.

The capacity crowd, which filled the auditorium on the evening of November 16, 1955, enjoyed every little episode in the lives of Mama and her Norweigan family.

The success of the play was, in great measure, due to the fine work which was done by the production staff.

Above all others our dramatic coach, Mrs. Gladys Walker, deserves credit for her expert direction of the play and of all other Thalpomene activities.

The club also sponsored four one-act plays, the contest play and the three annual speaking contests.

The Thalpomene Club officers were Michael Audet, president; Sandra Plourde, vice-president; Carol York, secretary; and Terry Poulin, treasurer.

The newly formed National Thespian Society composed of those who have done meritorious work in dramatics, lent its whole hearted support to all endeavors undertaken by Thalpomene Club.

Officers of the National Thespian were Sandra Plourde, president; Julius Levine, vice-president; and Carol York secretary-treasurer.

SENIOR SPEAKERS

One of the outstanding events of the year at Waterville High School was the Senior Speaking Contest on January 12.

The contest can be commented upon briefly by saying, "It was superb."

It was not surprising that the judges required a long period of deliberation in order to make their decision.

Finally the lengthy discussion ended and first prizes were awarded to Carol York for her vivid interpretation of "Romeo and Juliet," and to Julius Levine for his moving rendition of "The Constitution on Trial." Second prizes went to Ella Ladd for her heart warming interpretation of "Pink and Patches," and to Theodore Perry for his dramatic impersonation of "The Devil and Daniel Webster"

Other participants were Sally White, Rachel Foster, Evelyn Rousseau, Michael Audet and Sandra Plourde.

CASHIERS' CLUB

The cashiers' club is an organization that tries to induce everyone to save toward the future.

At the monthly meetings, discussions on better ways to bank are brought up and are put to use each Tuesday during the banking period.

Room one has been the leading room this year in banking and as a reward they were given the Thrift Banner each week.

At the end of the school year a plaque is awarded to the home room that has had the highest percentage of banking for the year.

CHEERLEADERS

The cheerleaders of 1955-56, under the leadership of head cheerleader, Diane LeBrasseur, should be highly complimented for the tremendous job they did during the entire year. They were present at all the football and basketball games, their voices ringing out with spirited cheers, pushing the boys on to victory.

The king and queen of football were crowned at the annual football dance. This dance was very successful due to the individual efforts of each cheerleader.

Among the girls' other activities, they participated in the Armistic Day parade representing Waterville High School in their finest. Much of the girls' time was spent preparing for the numerous rallies where the cheerleaders' fighting spirit was displayed.

There were new songs and cheers this year, but the new cheer that stands out in everyone's mind is "Dragnet." Also, "Fifteen Panthers," a new song taken from the hit, "Sixteen Tons," proved to make a great impression on the students.

We are very proud to have such a hard working and clever group represent us. We take our hats off to them, the cheerleaders of Waterville High School.

The faculty advisor for the cheerleaders was Miss Pauline Weatherbee.

MAJORETTES OF 1955-56

This year the Waterville twirlers have had an active program. The group consisted of five senior high girls. They are, Carol Rancourt, Yvette Trudell, Mary Dunn, Peggy Campbell, and Donna Grant.

These girls worked hard during the summer vacation, at noon recesses, and after school practicing for the football season. Mrs. Jerri McQuillian helped with new routines.

They twirled at rallies during the football season and a few basketball games. They always had the "beforehand jitters," but being in front of people and hearing their great band and all, they did their best for the team and Waterville.

At the football games, on those cool evenings, they strutted their best down the field, feeling very proud to represent Waterville High School.

National Education Week was highlighted this year by the presentation of a pageant entitled, "The Kingdom of Knowledge," which was written and directed by Principal Clair E. Wood. The pageant was presented as a parent's night program. November 7, 1955.

The theme of the pageant "the value of education," was colorfully portrayed by a large cast of students representing characters from literature, history, science, and arts.

CUM LAUDE

Election to membership in Cum Laude is the greatest honor any student can be paid at Waterville High School, for it is granted as a recognition of excellence in scholarship to students who further qualify by having shown sincerity in their relations with others and who have a record of willing service in their school. A maximum of 10% of each Senior class and not more than 5% of each Junior class is eligible for election from the honor students of these classes.

This year's active members contributed their untiring efforts to increase both the general fund, and the scholarship fund through the sale of basketball programs, Christmas trees and various other projects.

This year was a special one for Waterville High School honor society for it marked the tenth anniversary of the founding of the society.

Cum Laude Week began March 28 with the tapping assembly in which active members drew from a glass bowl sealed envelopes containing the names of the new members, and in turn went out into the audience, tapped the new members, and escorted them to the stage. Miss Ruth Wills, a graduate member of Cum Laude, was a guest speaker at the assembly.

The annual radio program was presented by the active members on the evening of April 2, over WTVL.

The Initiation Ceremony was held April 4, in the auditorium. It was conducted by Mr. Wood. The ceremony itself was conducted by the active members of the society. Philip S. Bird, first president of Cum Laude presented tenth anniversary greetings. The Reverend James H. Gower of Sacred Heart parish was the guest speaker. The eighth Cum Laude scholarship, of one hundred dollars, was awarded to Theodore Perry.

The highlight of the week's anniversary celebration was the conferring of the first honorary membership on Miss Mary E. Warren, chairman of the faculty committee and one of the founders of the organization. Miss Warren was recognized for her scholarship, unquestioned; service, unbounded; and sincerety, encompassing all who have ever been in the Waterville High School Auditorium past, present and future.

Cum Laude Week was concluded with a banquet and entertainment at the Elmwood Hotel on the evening of April 4. Dr. Kershaw Powell spoke on behalf of the alumni. Rose Marie Lefebvre was awarded a leather case bearing the Cum Laude seal for her outstanding service to Cum Laude this year. The case was made by Mrs. Connie Reny Sanborn, a Cum Laude graduate of the class of 1952. Mr. Ernest Haskell of Augusta mystified the guests with his program of magic just as he had done ten years before at the first Cum Laude Banquet. All members of the School Board, faculty, Alumni of Cum Laude, and interested citizens attended.

JUNIOR PROM

On February 18, 1956, the Junior class of Waterville High School held the annual Junior Prom. It was held in the Waterville High School Auditorium from 8 to 12. For a theme "Evening in Paris" was chosen. To live up to the theme, an Eiffel Tower was erected in the middle of the floor. From the peak of the tower, silver and dark blue streamers were hung to the end of the room, giving the effect of a low ceiling. Tables were arranged to give the impression of a sidewalk café. Murals were placed on both ends of the auditorium. On these white murals, were Parisian designs in dark blue.

Al Corey and his orchestra furnished wonderful dancing music.

The main feature of the floor show was a Parisian Can Can dance, performed by seven Junior boys. Other entertainers were: Freddy Letourneau at the piano, Jackie Peters sang "Blue Star", Carol Rancourt and Laurel Ann Robker also sang. Jeannette Bard gave a reading impersonating a Frenchman on "Macbeth". Philip Nagem was Master of Ceremonies.

Refreshments were served during the intermission.

Those heading the decoration committee were Alfred Preo and Judith Stubbert. Norman Namer and Jeannette Bard were in charge of the tickets. Freddie Bonner headed the entertaining committee. Publicity was taken care of by Bette Drake and Jeannette Bard. Lee Breard was in charge of the tables. Refreshments were cared for by Gail Woods. Heading all of these committees was our class president, Laurence Safford.

An impressive initiation ceremony was conducted for the new members of the Latin Club.

The annual Valentine Dance was held to honor a King and Queen, who were chosen in a school wide election by the student body.

National Latin week was observed by visiting the famous Treasure Room at Colby College. Dr. Carl J. Weber, curator, explained the rare and valuable books. Also a display of classical interest was posted on the bulletin board.

ASSEMBLIES

During the school year 1955-1956, the students of Waterville Senior High School enjoyed a varied and interesting program of assemblies.

The first of these was a brilliant display of the violin artistry of Alfredo Cavaleri. The accomplished violinist played several beautiful selections which delighted everyone.

In October a second assembly was presented by Arthur Rogers, game warden supervisor for Central Maine. Mr. Rogers spoke and showed a film in an effort to instruct young outdoorsmen in safe hunting habits.

During United Nations Week, Richards Rowson, who is considered an authority on the subject, spoke on the purpose and function of the U. N.

Our last assembly in October was the House of Magic show which amazed everyone with the wonders of science. The exhibition included demonstrations of the marvels of light, sound, and electronics.

In November, Capt. John Dry, who, despite his name, has spent much of his life at sea, pleased the students with his vast knowledge of nautical affairs.

As part of the school's observance of National Educational Week several students took part in a pageant. The student body enjoyed a dress rehearsal of the elaborate production which emphasized the importance of a high-school education.

Just before Christmas vacation, the band andchorus were heard in a Christmas Concert. Several of the immortal carols were sung and played as well as the seasonal favorites.

The most delightful and entertaining assembly of the year was held in February. It was an hour of fun and song presented by Charles King, a Negro baritone. Mr. King enraptured the audience with his beautiful rendition of "Water Boy" and in the next moment had everyone laughing uproariously as the students and teachers sang old spirituals which were accompanied by hilarious gestures. The whole program sparkled with Mr. King's vivacious personality and vibrant rhythm.

Our own varsity debate team gave the student body a most interesting assembly in March. Having won the National Forensic League's New England Debate Tournament the previous weekend, they thoroughly convinced everyone that that they were the best debators in New England.

Later in March the final game of our intra-mural basketball program was held. The whole school watched as the Junior Class' team defeated the Sophomore Class' fivesome. The game was not only a fine exhibition of basketball, but also a fine display of that type of sportsmanship which we like to say is typical of Waterville Senior High School.

The last assembly in March was the annual Cum Laude tapping assembly. The active members went out into the audience and "tapped" the students who had qualified in scholarship, sincerity, and service to become new members of the honor society.

The tapping assembly was followed early in April by the Cum Laude Initiation Ceremony. This was an effective, candlelight assembly conducted by the active members.

Late in April the student body was thrilled by the exciting program presented by the "Shooting Gauchos". This assembly included a spine tingling exhibition of expert marksmanship.

In May, the student body had the opportunity to see and hear Samuel Russell Eves, one of the most talented performers ever to appear on our stage. Mr. Eves, not only a master of the accordion but also a fine baritone, played and sang several selections which the audience enjoyed immensely.

Lloyd Bemis spoke to the students later in May. His talk, "Time for Decision," was a most inspiring one and gave each student sufficient reason to think seriously about his future.

Our last assembly was held in June. The Senior Class was bid adieu and given sage advice pertaining to their later life.

With the final gathering of the graduating class came the close of our assemblies for the year. Each one had had something to offer to each student—information, entertainment, culture inspiration—and each one had added to the over-all education of each student.

The year 1955-56 began in October with a regular meeting, at which the officers were elected.

On November 8, an impressive installation of officers and initiation of new members was held in a candle-light ceremony.

Two themes were chosen to be our goals for the year. They are "The Joys and Satisfactions of Homemaking," and "Good Home and Family Life for All."

Around these, our program of work for the year was drawn up, which included a Christmas party for underprivileged children, a "sing"at the Sunset Home, a style show for parents, a dance, an outing, and various speakers.

The girls who attended the District meeting in Augusta had a wonderful time, and all look forward to attending the State convention in Augusta, April 28.

We call our year active, progressive, and succesful; and have Mrs. Taylor and Miss Weatherbee to thank for their untiring effort and support.

A new club made its appearance this year at Waterville High School. It is known as the E.M.A.C. Club, consisting of some eighteen shop boys. The purpose of the organization is to promote a better understanding of what the industrial courses of the school are doing. The word E.M.A.C. stands for Electrical, Machine tool, Automotive mechanics, and Carpentry which are the names of the various shop departments of our school.

Because this club is still in the experimental stage, it has not been too active, but great plans are being made for next year.

Michael Audet had everybody in stitches when he won the Humorous division. Julius Levine made the finals in Original Oratory and Sandra Plourde made the finals in Girls Extemporaneus Speaking. The Waterville Chapter showed a prodigious array of shields in taking second place in the tournament and received the privilege of being able to send five members to the Nationals at Oklahoma in June.

It was by far the best year for any club ever to represent Waterville in ten years. It was the first time in history for any club to win four titles in one tournament.

Carroll "Bulldozer" Denis gains first down

Waterville 6 Skowhegan 6

The gridiron machine of W. H. S. opened the 1955-1956 year by playing a hard fought 6-6 tie with Skowhegan. Theree thousand fans watched the night affair played at Seaverns field. Skowhegan scored first on a pass to end, Jim Eastler. Waterville's T. D. was set up by a Cony pass to Richard Petersen to the 12 yard line. Raymond Couture and Carroll Denis then moved the ball to the 1 yard line with Couture going over for the T. D.

St. Doms 20 Waterville 12

St. Doms, playing their best game of the year, upset Waterville High's grid forces 20-12. A small rain soaked crowd watched Waterville whip to a 12 point lead in the second quarter. But the saints bounced back to score 3 times. Scorers for Waterville were Carroll Denis and Francis Hallee. Violette and Couture played outstanding ball.

Rumford 13 Waterville 0

The purple panthers playing one of the best games of the year against a good Rumford Club, may have lost this game but Waterville left its mark on Rumford. Rumford's line and backfield was hit hard by the panthers as seven had injuries, causing many headaches for their remaining schedule. Although W. H. S. stood out defensively, Rumfords offense was too much, scoring two T.D's in the second half of play. Co-captains Ray Couture and Harold Violette played outstanding ball.

Waterville 6 Winslow 6

Tension was high as arch rivals, Waterville and Winslow fought to a 6 to 6 deadlock. Winslow scored first in the second quarter, but Waterville bounced back in the third quarter to tie it up. Bob Maheu scored for W. H. S. by intersepting a pass and running 80 yards to play dirt. Waterville was playing with co-captain Ray Couture seeking limited action which was hard to overcome.

Bangor 12 Waterville 0

The Panthers of Waterville High, playing their best game of the year, bowed to a good club from Bangor. Both teams played excellent ball for three quarters, but in the fourth frame the Rams scored two quick T. D.'s to defeat the stubborn Panthers. The Panthers were the underdog in this one as both Bob Maheu and Ray Couture watched most of the game with injuries. Although this was a big blow for Waterville, the grid forces under Coach Merrill held the powerful Ram Club in check for most of the game. Carroll Denis did most of the leather lugging with Ray Couture coming in to huck passes to Dick Peterson and Fran Hallee with deadly accuracy.

Waterville Downs Morse High of Bath 19-13

The Purple Panthers were up for this one as they engaged the Shipbuilders of Bath in an afternoon game at Old Seaverns field. From the opening whistle to the end of the second quarter, the panthers hit with such force that Morse was knocked off her feet for the entire first half. Big Bob Maheu highlighted the first half as he galloped 98 yards on the first play of the game. After the game, the slick W. H. S. band marched through Waterville followed by hundreds of fans doing the snake dance. Everyone was happy, especially the boys who had won themselves a hard, well deserved victory.

FAIRFIELD HALTS WATERVILLE 12-0

The first victory over a Waterville team in 35 years for the Bulldogs was no upset as the powerful Fairfield team downed the Panthers 12-0. A crowd of 2,000 witnessed the affair as both teams went scoreless in the 1st half of play. But during the 2nd half the Bulldogs opened up for two T. D.'s while the panthers remained scoreless. It was a tough one to lose for the Panthers but a great game to win in view of the Fairfield Bulldogs. Waterville's great defense was still effective despite the loss. Final averages show that opponents scored 13 points to Waterville's 7.

Gardiner 25 Waterville 0

The Gardiner Tigers opened up on a scoring spree against the Panthers winning 25 to 0. Although the Panthers lost by four touchdowns, the score was not too discrediting as the tigers went on to an undefeated season and a state of Maine Championship. It was a beautiful day in the weather point of view, but a dark one in the eyes of Waterville's grid players who suffered their fifth defeat of the season. The Panther mainstay, Hal Violette, played his usual outstanding game with Carroll Denis doing good running.

CONY of AUGUSTA 13 WATERVILLE 8

A tense crowd of 2,500 watched the season's ending game between Waterville High and Cony on Armistice Day. Eight of Waterville's eleven starters were seniors playing their last game.

Most of the scoring came in the first half on freak touchdowns. Linemen for both teams broke into the scoring column as Arnold Lemelin scored W. H. S.'s first T. D. when he caught a Cony punt that took a freak bounce back into Cony's end zone. Waterville also collected two points when Bill Saucier, Panther guard, tackled a Cony halfback in Waterville's end zone.

GIRLS' SPORTS

Girls participating in Sports are kept busy year round playing badminton, basketball, softball, volleyball, and many other sports.

This is the first time, however, the gym classes had Intragym tournaments. The winning teams were as follows:

Sylvia Loubier	Period 1	Cynthia Farmer	Period 3
Sue Allen	Period 2	Margaret McBride	Period 4
	Marilyn Colford	Period 5	

These teams played among themselves until the day when the two last survivors were to struggle for the championship. The winner was Farmer's team; beating the undefeated Colford team.

In the Intramural games, the Seniors are running off with the trophy again for another year. They have already defeated both the Junior and Sophomore classes twice.

Starting the year off with a bang in Badminton, the champions were Marjorie Pinkham and Sandra Plourde. While in the Junior and Sophomore Classes, Eleanor Hallee and Eleanor Marsh were the outstanding winners.

GIRLS' HONORARY BASKETBALL

1st row, left to right: Sylvia Loubier, Darlene Williamson, Diana LeBrasseur, Cynthia Farmer, Beverly Cotta, Eleanor Hallee.

2nd row, left to right: Marie Paradis, Nancy Kennedy, Betsy O'Connell, Ella Ladd, Blanche Woods, Donna Farwell, Donna Fortier.

HONORARY BASKETBALL TEAM

Near the close of basketball season an honorary varsity team is chosen. Every girl on this team has been chosen as a member because she shows her ability and possibilities in this game. She works diligently in becoming more skillful in the sport.

Even though the girls in Waterville do not have a real varsity team, they play other schools. The girls engage in several Play Days, and a Basketball Clinic each year.

This year the Play Day was held in our senior high gym. The girls also went up to Colby to play basketball with college students from Bates and Colby College.

OFFICIALS' CLUB

1st row, left to right: Diane Thorne, Barbara Williams, Martha Hilton, Judy Kitchin.
2nd row, left to right: Sandra Plourde, Donna Grant, Barbara Clapprood, Ella Ladd, Jeannette Roy, Eleanor Hallee, Mona Cameron.
3rd row: Blanche Woods, June Simmons, Carolyn Marcia, Pauline Bickford, Frances Freddette, Marie Paradis, Gail Woods.

The officials club was very active this year and a great deal was accomplished. The girls who are members of the club spent many hours in study of all the fine points of girls' basketball.

Under the guidance of Miss Thompson, several of the members were ready for their rating tests. First, they had to pass one of the hardest written examinations. Three girls passed the test and acquired their rating this year. Ella Ladd, Associate; Sandra Plourde and Eleanor Hallee, Intramural.

The outlook for the future of the officials club is most satisfying because many members are sophomores.

Outside officials better beware, because Waterville girls can become experts in this field.

WASHINGTON

On arriving in New York City, early in the evening, we went immediately to the Hotel Victoria, which was to be our new "home." The next morning, after church, the following tours were enjoyed: Rockefeller Center, N. B. C., Radio City Music Hall.

On Monday, we left for Washington, D. C. En route, we visited Annapolis Naval Academy. One of the most impressive sights was watching a seemingly interminable line of cadets march from one class to another.

In Washington, our residence was the Congressional Hotel, a truly beautiful modern building. We toured the Library of Congress (Books! Books! Books!), the Ford Theatre, and the house where Lincoln died.

Off to a bright and early start on Tuesday, we visited the Tomb of the Unknown Soldier. Standing before a white marble ampitheatre, we watched in an awed manner the changing of the guard. From the top of a hill, in the same cemetery, we viewed the mast of the battleship MAINE. Next, on to Mount Vernon, Washington's home, stately and lovely in its picturesque setting.

A boat ride down the historic Potomac! At the end of the ride--a gala ball in an amusement park! Roller coasters and Tilt-o-Whirls! One can easily understand why many FELL into bed that night!

TON TRIP

Wednesday's tour included Christ's Church, Masonic Shrine of George Washington, The Smithsonian Institute, the Lincoln Memorial, the Jefferson Memorial, and the Washington Monument. Most of us, by the way, appeared nearly ten pounds lighter after climbing the 555 feet of stairs to the top! Since the evening was free, several attended a night club to see and hear Sonny Gale, who was, as teen-agers say: "Fabulous!"

We visited the Bureau of Printing and Engraving, and we were most disappointed to learn that currency was not distributed as a sample. We toured the F.B.I. and the Supreme Court Buildings and had our pictures taken at the Capitol. Again, that evening, night-clubbing for some! This time, Ella Fitzgerald sho' won our hearts!

At 5:30 a.m., on Friday, we were up and off, once again, to New York, bidding an affectionate farewell, amid a torrential downpour, to the Capital City.

Surprise! Surprise! We were allowed to sleep until 7:30 Saturday morning! At approximately 9 o'clock, the stentorian voice of Mr. Wood reverberated: "All aboard for Waterville!" And away we went!

Finally, the lights of our city glittered a warm and friendly: "Welcome home!"
